Sir:

In response to the Office Action mailed July 12, 1994 and the Examiner Interview of August 9, 1994, the period for response being extended as a result of the enclosed Petition for Extension of Time and requisite fee, please amend the above-identified application as follows. Applicants appreciate the time taken by the Examiner in the interview. The amendment and remarks below reflect these discussions. It is believed that the interview greatly facilitated applicants' understanding of the basis of the rejection and that prosecution has been facilitated thereby.

IN THE CLAIMS:

All of the claims are listed in the attachment, as they stand after this amendment, for the Examiner's convenience.

Please cancel claims 105 and 107-109.
